Thanks to the volunteers who responded to our Bulletin announcement. We will be able to continue to visit our parishioners in Danbury Hospital three days a week.

(Editor in Chief of "Magnificat") on Thursday, **October 26** at 7:30PM at Saint Aloysius Parish, 40 Maple Street, New Canaan. Each lecture will be preceded at 6:30PM by Eucharistic Exposition, Benediction and the opportunity for confession. Admission free.

### SAFE ENVIRONMENT CORNER

The Protecting God's Children program, for adults, emphasizes that people, especially those who have direct contact with minors, should know the early warning signs of an inappropriate "relationship" with a young person. The program educates individuals about the warning signs that can identify potential abuse before it happens. Also, if adults know the warning signs, we do not have to rely solely on a child to report an incident. The program is intended to raise one's awareness of other people's behavior as well as their own behavior in order to avoid a "lapse of judgement". The next protecting God's Children Safe Environment workshop at St. Edward's for all new volunteers is scheduled for Wednesday, October 25th at 7PM in the Parish hall. We encourage all parents of the St. Edward's Sr. Youth Workcamp Program to register for this session by contacting Eileen Burke in the Parish Office at 746-2200 ext. 10.

### PRO-LIFE CORNER

St. Paul wrote in Ephesians (5:11), "Have nothing to do with the fruitless deeds of darkness, but rather expose them." Evil flourishes when it is hidden and when the victim is unseen. Our job is to expose the evil of abortion and euthanasia to light of human conscience, and keep the humanity of its victims ever before the public eye.

### OCTOBER IS NATIONAL BREAST CANCER AWARENESS MONTH

Breast cancer is the second most common kind of cancer and the second leading cause of cancer deaths among women in the U.S. Because treatment is more likely to be successful when breast cancer is detected early, regular screening is vital. October 20th is National Mammography Day. On this day, free or discounted screenings are offered. To find an FDA accredited facility contact the National Cancer Institute at 1-800-4-CANCER.

"Partners in Faith" is a resource to help parents in their family's Catholic education. This monthly publication, in Adobe reader format, can be printed from our website and used to teach faith-filled ideas, habits and behaviors. October's issue of "Partners in Faith" is available.

### IMMACULATE HIGH SCHOOL OPEN HOUSE AND ENTRANCE EXAM

Immaculate High School will hold its Open House on Sunday, October 15th from 1-4PM. The Entrance exam for current 8th Graders will be held on Saturday, October 21st from 8:30-11:30AM. Visit us at [www.immaculatehs.org](http://www.immaculatehs.org).

### MARRIAGE MOMENTS

Agape love is the willingness to care for the other as much as myself. Hmmm, sounds a lot like the golden rule, "Do unto others as you would have them do to you." (Luke 6:31) Different religions and philosophies of life say it different ways but there's something universal about spending oneself for the beloved.

### PARENTING POINTERS

"Anything which parents have not learned from experience, they can now learn from their children." (Anon) Learn something new from your child today (a song, a joke, how to program a cell phone, how to download a printer driver, etc.)

To help Catholics meet this challenge, and to be informed voters on election day and throughout the year, the Bishops of Connecticut have created the Connecticut Catholic Advocacy Network. They are asking all Catholics to sign-up, and become part of this network. If you have previously sign-up, but have changed your email address, please take the time to update your information.
