

# Mass Schedule

Dear Friends,

I am sure you are finding your schedules very busy. The kids are back to school and the roads are clogged with traffic. On Sunday, October 1st, we begin a month of asking questions like: "What does God want of our lives?"

The month of October is celebrated by working to bring a greater "Respect for Life".

Pope John Paul II stated "To all Members of the Church, the people of life and for life, I make an urgent appeal, that together we may offer this world of ours a new sign of hope, and work to ensure that justice and solidarity will increase and that a new culture of human life will be affirmed, for the building of a authentic civilization of truth and love".

Please join us in prayer for a greater respect for life from conception through natural death.

Peace,

Msgr. Ryan

The Parish family of St. Edward the Confessor welcomes Jessica Viviana Latassa and Peter Alexander Polo who were baptized here last weekend.

The Parish leadership invites you to use our Pre-Baptismal Class as a moment to build a community among our young families and grow in our faith.

### ATTENTION PARISHIONERS

We have a number of children in our Parish with life threatening food allergies (especially peanut products). We are asking that **NO FOOD OF ANY KIND** be brought into the Church Worship Space. The safety and well being of our children is our primary concern. We ask for your cooperation in this matter. Thank you!

**FAMILY DAY- SEPTEMBER 25**

Did you know that eating dinner frequently with your children reduces their risk of substance abuse? Research by The National Center on Addiction and Substance Abuse (CASA) at Columbia University finds that the more often children eat dinner with their families, the less likely they are to smoke, drink, or use drugs. The conversations that go hand-in-hand with dinner will help you to learn more about your children's lives and better understand the challenges they face. Family Day, a national effort to promote family dinners, will be celebrated on Monday, September 25. Please take time to eat together as a family on this day. The symbolic act of regular family meals should be promoted and celebrated inside and outside the home throughout the year. ### SAFE ENVIRONMENT CORNER

A major goal of the VIRTUS® Protecting God's Children Safe Environment program is to assist the Church in being a safe haven for children. This is done by educating and uniting adults who are willing to continue to grow in their knowledge of the reality surrounding child sexual abuse. This diverse group of adults including parents, grandparents, guardians, clergy, lay employees and lay volunteers know the warning signs of abuse, help control access to our children, monitor all programs, and speak responsibly about their concerns. While creating such a safe environment protects children and youth, it also restores the confidence of parents that the leaders and care takers of their children are aware and watching for potential risk. Moreover, such knowledge of the reality surrounding child sexual abuse can also help victims and survivors in the healing process. More than 700 staff and volunteers from St. Edward's parish have been trained in this program.

Our Next **Safe Environment Seminar** is **Wednesday, September 27th at 7PM** in the Church Hall. Please call Eileen Burke at 746-2200 ext. 10 to advise if you will attend.

### PRO-LIFE CORNER

Speaking at a June 20 Capitol Hill press conference, Deirdre McQuade, spokesperson for the Pro-Life Secretariat of the U.S. Catholic Bishops, praised the patients and families in attendance for their willingness to come to Washington to demonstrate how ethically-sound stem cell research is paving the way to workable treatments. "No one should think that the stem cell debate forces us to choose between ethics and science. We can support both. There is no need to sell our souls in the quest to heal our bodies."

### THANKS FROM THE ST. EDWARD'S GOLF COMMITTEE

The Golf Committee would like to thank all the volunteers and donors who made the Seventeenth Annual St. Edward's Golf Classic a success for the Knights of Columbus and, of course, St. Edward's Parish.
