At the next meeting on October 31st, the group topic will be: **Insecurities: We've had them since we were children. Are they nurtured or are we born with them? How have they affected choices that we have made? How are we overcoming them?** Pack a brown bag lunch and join us. Only under these conditions will we be notified of your admittance to the hospital.

MASS INTENTIONS

A tradition in the Catholic Parish is to celebrate Mass daily for the people of the Parish and their intentions. Mass is offered in remembrance of someone who has died, or for the intentions of someone who is living.

If you wish to have a Mass said for your intention, please come to the Parish Office during Office hours. Masses are available during the week and on weekends.

AROUND OUR PARISH

“FOLLOWING IN THE FOOTSTEPS OF CHRIST”

A five-year plan for evangelization in the Diocese of Bridgeport begins this weekend. The plan is a major program that outlines the priorities for evangelization and catechesis. Evangelization is at the very heart of our mission as Catholics: to proclaim the Word of God and inspire discipleship in others. The plan will help all of us focus on what's most important while respecting the great diversity across our 87 parishes. Each parish will determine how to build on the many good things each does and to improve in ways that fits its own culture and needs. To find more information on the plan and how to get involved, please visit the special website: www.footstepsofchrist.org.

CHILDREN'S MASS BOOKS

You will find new Mass Books for our children. There is a display in the Gathering Space. Please use them to assist our children in learning about the Mass.

1. My First Missal is been placed in the pews for your use with your child during Mass.
2. Magnifikid can be picked up with the Gathering Space and the child (6-12 years) can follow along with the Mass Prayers and take it home with a follow up learning exercise.
3. The Carry-Along Books are story books for little children that are picked up in the Gathering Space and returned after Mass.
4. There are also children's envelopes. If you choose, your child can use them at offertory time.

**BE YE FISHERS OF MEN.
YOU CATCH THEM AND
HE WILL CLEAN THEM.**

SAFE ENVIRONMENT CORNER

Monitoring All Programs to Keep Children Safe
The Protecting God's Children Safe Environment policy promotes the monitoring of all programs is to create a structure for supporting safe environments for all God's children. Monitoring programs is simple and easy. Initially, it requires some preparation and forethought to create the necessary policies and procedures. Then, it requires a commitment to monitoring all programs—from inception to development and implementation, to day-to-day management—and to rigorously enforcing the application of policies and procedures for everyone. We invite all parents, grandparents and guardians especially those with children in our Junior, Senior and Workcamp Programs to find out more about the Safe Environment Program by attending the next Protecting God's Children presentation scheduled for Wed. Oct. 25th at 7PM in the parish hall. Please contact Eileen Burke at 203 746-2200 X10 to register.

PRO-LIFE CORNER

One of the statements heard over and over by those in post-abortion ministry from those who have aborted their children is, "I can't believe I did this. How could I have paid for them to kill my child?" Heartbreaking but compelling testimony to the truth that in every abortion there are two victims— mother and child. (Theresa Bonapartis in Partners for Life newsletter, 11/05)

MARRIAGE MOMENTS

"The person who truly loves does so because of a decision to love. This person has made a commitment to be loving whether or not the loving feeling is present." (M. Scott Peck, *The Road Less Traveled*)

PARENTING POINTERS

The average U.S. child is exposed to approximately 8 ½ hours of media a day. Sure some of that is at school and some is multitasking, but it's still way too much. Do you know how much time your child watches a screen or has something in his ear? Try counting the hours for one day.

Election Day, **November 7th** is rapidly approaching. All Catholics are called to be active and responsible participants in our society, especially when exercising their right to vote. To help us meet the challenge of being informed voters on election day and throughout the year, the Bishops of Connecticut have created the Connecticut Catholic Advocacy Network. All Catholics are asked to sign-up and become part of this network. If you have previously signed-up, but have changed your email address, please update your information. Sign up at WWW.CTCATHOLIC.ORG. Once signed up you will receive e-mails on state and federal issues of importance to people of faith and will see how your elected officials voted. The Network lets you contact your elected officials on critical issues.
